

WOULD YOU LIKE TO STUDY THEOLOGY
AND LEARN MORE ABOUT YOUR FAITH?

“St Patrick’s Pontifical University has a long and noble tradition in training priests for the ordained ministry. In more recent years it has included the formation of lay people in its programmes and outreaches. I am delighted to welcome this initiative into the Archdiocese of Armagh and I give it my whole hearted support.

It is my fervent hope that many lay people will avail of this opportunity to delve more deeply into their faith and to bring their learning into the lives of their families and the church communities to which they belong.”
