*This document was developed using information from the Volunteering Australia 100 Point Identification Check and from research conducted on verification of identity at Irish banking institutions, utility companies and the National Driver License Service.

**An affidavit is a written sworn statement of fact voluntarily made by a person. It is a document that sets out in paragraph form the evidence that the witness wishes to give. Affidavits are usually written and prepared by a solicitor or a barrister after having obtained all the necessary information from the witness. The wording used in the affidavit will depend on the circumstances of the case. Your solicitor can give you more information on the wording that will be used.

When the affidavit is ready, the witness must go before a Commissioner for Oaths. The Commissioner for Oaths will check that the person swearing the oath has read the affidavit and fully understands the contents. The person will be asked to raise the Bible and to repeat the words of the oath. If the witness does not wish to swear an oath on the Bible, he or she may make an affirmation. He or she will then sign the affidavit.

The Commissioner for Oaths will verify that the affidavit was properly sworn by completing a *jurat* on the affidavit.
