Let us introduce ourselves!

WE HAD AN IDEA... in recent times ADYC (Armagh Diocesan Youth Commission) & CdÓ (Clogher don Óige) attended a leadership development course at Greenhill YMCA Centre, Newcastle. We were totally inspired by the great outdoors and the facilities on offer.

The idea for a summer camp was born. The camp would provide opportunities for boys and girls aged 12-14 to come together, have fun, make friends and to grow in faith.

ADYC

Since the restructure of the ADYC in 2011 we have recognised the need for a youth ministry strategy and a vision has been developed. We provide opportunities for the youth of our Diocese through 6 main areas, which are; Faith Development in Parishes, Faith Development in Schools, Diocesan Faith Awards, Pilgrimages, Communication and Leadership.

CdÓ

CdÓ was set up in 2003 by the Catholic Church in the Diocese of Clogher. The main aim of CdÓ is to provide activities, events and programmes for young people both at diocesan and parish level. Our objective is to inspire young people to grow in confidence, self esteem and faith.

Parental Information

Leaders

All leaders have been vetted and fully trained. All leaders are experienced youth workers. Leaders will ensure a safe, caring and fun environment for participants. Leaders must adhere to diocesan safeguarding policies, procedures and code of conduct. Participants will have an individual group leader to whom they can bring any concerns. We aim to take 40 young people aged 12 to 14 to the camp. Accompanying them will be 6 to 8 leaders, ensuring a ratio of at least 1 leader to every 7 participants.

Contract

A contract, guidelines and rules will be agreed with pilgrims at the first meeting of leaders and participants. Leaders and participants must adhere to these agreed contracts.

Emergencies

Senior leaders will have emergency contact mobile phones should parents need to contact leaders in the case of an emergency.

Information Session

All parents will be invited to attend a Parental Information Evening. You will have an opportunity to meet the leaders and to ask any questions that you might have about the trip. In the meantime do not hesitate to contact us if you have any questions or concerns.

“Quotes from parents”

My 15 year old daughter went on pilgrimage last summer with Clogher don Óige. The whole experience for Niamh, was in her own words ‘One of the best weeks of her life’. She met other young people and learned about life experiences and came to appreciate her own faith. In herself she gained confidence and developed her interpersonal skills.

As a parent I found ADYC and its leaders very thorough in ensuring that the questions of the kids and the parents entrusting their children to their care, were answered. I found they kept me well informed and involved in the preparation for the pilgrimage every step of the way.
