

Thank you for registering for the *Bible in a Day* workshop. This one day, interactive workshop reveals the amazing story of salvation from Genesis to Jesus and the Church. The complexity of the Bible is made simple and easy to understand through a captivating narrative approach and the colour –coded *Bible Timeline* learning system created by Jeff Cavins.

You will gain a greater understanding of your faith, the Mass, the sacraments, and a closer relationship to Christ!

The day will take place in St Anne’s Parish Centre and together with participants from across the Diocese you will learn about the Bible and how together we might encourage others to use this resource during Lent 2015 as a tool for deepening our faith and evangelising to others.
