**Would you like to understand
the Bible but think:**

It's too difficult?

Too boring?

Not relevant to your life?

Join us for *The Bible in a Day* workshop to discover what hundreds of thousands have experienced ... a revolutionary overview of Scripture from a Catholic perspective.

This one-day, interactive workshop reveals the amazing story of salvation from Genesis to Jesus and the Church.

The complexity of the Bible is made simple and easy to understand through a captivating narrative approach and the color-coded *Bible Timeline* learning system created by Jeff Cavins.

You will gain a greater understanding of your faith, the Mass, the sacraments, and a closer relationship to Christ!

"I am delighted to support the Bible in a Day Initiative. I am always keen to encourage greater familiarity with the Word of God and this course provides a superb overview of the story of salvation. I hope that many people within the diocese will avail of this wonderful opportunity to learn more about their faith and the sacramental traditions of our Church. I pray God's blessing on this lovely initiative"

–Archbishop Eamon Martin, Archbishop of Armagh.
