

# NATIONAL

A PRACTICAL WAY TO BRING THE NEW  
EVANGELISATION TO YOUR PARISH

# DISCOVERING CHRIST TRAINING CONFERENCE

"In all its activities the parish encourages and trains its members to be evangelizers. All the baptised are agents of Evangelisation.....called to mature.....to have better training, a deepening love and a clearer witness to the Gospel." Pope Francis, The Joy of the Gospel (28, 120, 121)

Come and receive comprehensive training on this Christ-centred approach to igniting the New Evangelization and Renewal in your Parish!

The Conference aims to:

- \*Deepen the personal encounter with Jesus
- \*Learn, in easy-to-follow steps, the practical implementation of the New Evangelization
- \*Train, Inspire and Equip Priests and Lay Persons to undertake the "Discovering Christ" Series in their Parish

"Parishes are the places in which the work of the New Evangelization –a work which belongs to all the baptised – first takes place. With great joy, I recommend ChristLife to parishes and dioceses looking to respond to the Church's urgent call to the New Evangelization."

Discovering Christ is for anyone and everyone, from the baptised in the pews to the unbaptised who has never entered a church! Discovering Christ helps participants enter into or renew a personal relationship with Jesus Christ, experience the love of God the Father, and be empowered by the Holy Spirit to live as God's children. It gives participants the relational support necessary to begin living for Christ within the parish or group that offers the course.

It is the first part of a three part ChristLife process. Parishes and groups can then go on to use the Following Christ and Sharing Christ series
