DAY OF PRAYER

to find God's peace

St. Anne's Cathedral, Belfast will be transformed into a quiet, private prayer space on Saturday, 17th September.

If your peace has been disturbed for whatever reason, maybe from experiences in the past, why not come and spend time with God in an atmosphere of godly calmness? Quietly, between you and Him, you can lay down any of the things that disturb, forgive those who have hurt you, say sorry where you may have hurt others and make a commitment to help build a better future for our land.

The focal point will be a large plain wooden cross in the square in front of the Cathedral. All the prayer will be in silence. This is time for people to come as individuals before God, and through that encounter, however long or short, to find His peace.

The following facilities will be available on the day:

- Personal prayer will be available for anyone who wishes to receive it
- There is car parking available within the grounds of St. Anne's Cathedral. There is further car parking available in the surrounding area, eg Hi Park, High Street
- There will be refreshments available throughout the day
