# Let us introduce ourselves!

**WE HAD AN IDEA...** back in 2013 ADYC (Armagh Diocesan Youth Commission) attended a leadership development course at Greenhill YMCA Centre, Newcastle. We were totally inspired by the great outdoors and the facilities on offer.

The idea for a summer camp was born. The camp would provide opportunities for boys and girls aged 12-14 to come together, have fun, make friends and to grow in faith.

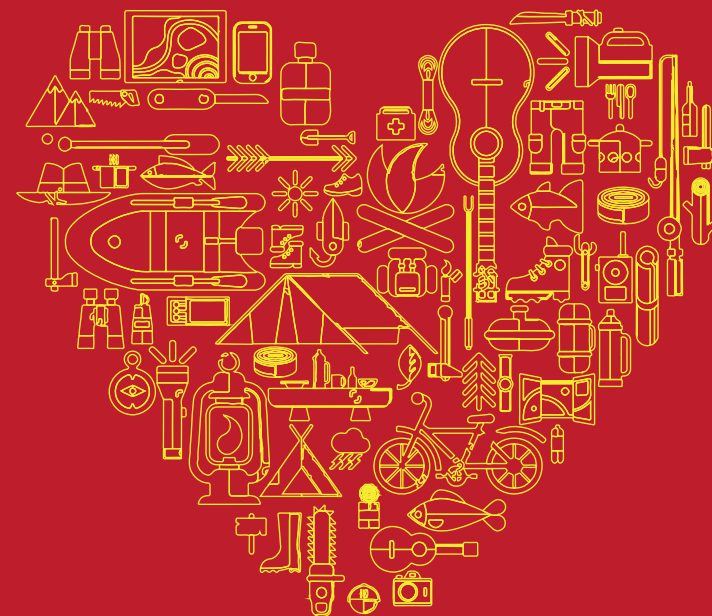

**ADYC**  
Since the restructure of the ADYC in 2011 we have recognised the need for a youth ministry strategy and a vision has been developed. We provide opportunities for the youth of our Diocese through 6 main areas, which are; Faith Development in Parishes, Faith Development in Schools, Diocesan Faith Awards, Pilgrimages, Communication and Leadership.

## Parental Information

### Leaders

All leaders have been vetted and fully trained. All leaders are experienced youth workers. Leaders will ensure a safe, caring and fun environment for participants. Leaders must adhere to Diocesan Safeguarding Policies, procedures and code of conduct. Participants will have an individual group leader to whom they can bring any concerns. We aim to take up to 40 young people aged 12 to 14 to the camp. Accompanying them will be trained leaders, ensuring a ratio of at least 1 leader to every 7 participants.

### Contract

A contract, guidelines and rules will be agreed with pilgrims at the first meeting of leaders and participants. Leaders and participants must adhere to these agreed contracts.

### Emergencies

Senior leaders will have emergency contact mobile phones should parents need to contact leaders in the case of an emergency.

### Information Session

All parents will be invited to attend a Parental Information Evening. You will have an opportunity to meet the leaders and to ask any questions that you might have about the trip. In the meantime do not hesitate to contact us if you have any questions or concerns.

## “Quotes from Parents

The experience my daughter had at Assume Summer Camp was simply fantastic! 3 months later and she is still talking about it. Next year can't come quick enough!

My daughter enjoyed the camp each year. She was happy with the activities, the food was great, she made lasting friendships and she grew in her faith. I, as her mother, was not worried about her safety and trust the leaders to take good care of her and make sound decisions.
